| Product Code:          | A1204                                                                                                                               |
| Clone Code:            | 20H1                                                                                                                                |
| Lot No.:               | 20240325                                                                                                                            |
| Source:                | Ascites                                                                                                                             |
| Host Animal:           | Mouse                                                                                                                               |
| Molecular Weight:      | 150kD                                                                                                                               |
| Product Appearance:    | Purified, Liquid                                                                                                                    |
| Product Form:          | Produced by affinity chromatography (rPA) in vitro, with 0.02M PBS (pH7.4, containing 0.1% Preservatives I ) as preservative buffer |
| Protein Concentration: | 3.81mg/mL (Ultraviolet spectrophotometry)                                                                                           |
| Purity:                | >95% (SDS-PAGE)                                                                                                                     |
| Storage:               | Store at -20±10°C for four years<br>Store at 2-8°C for one month                                                                    |
| Precaution:            | The product is for vitro use only                                                                                                   |
