| Lot No.:                 | 20240409                                                                                                                                                           |
| Source:                  | Ascites                                                                                                                                                            |
| Host Animal:             | Mouse                                                                                                                                                              |
| Molecular Weight:        | 150kD                                                                                                                                                              |
| Product Appearance:      | Purified, Liquid                                                                                                                                                   |
| Dilution is recommended: | ELISA:1/2.5K                                                                                                                                                       |
| Product Form:            | Produced by affinity chromatography (rPA) in vitro, with 0.02M PBS (pH7.4, containing 0.1% Preservatives I ) as preservative buffer                                |
| Protein Concentration:   | 2.47mg/mL (Ultraviolet spectrophotometry)                                                                                                                          |
| Purity:                  | >95% (SDS-PAGE)                                                                                                                                                    |
| Storage:                 | Store at 2-8°C for four years                                                                                                                                      |
|                          | The product is for vitro use only.                                                                                                                                 |
| Precaution:              | The products and pre-frozen biological ice packs are packaged in an EPS transportation box and delivered by regular express, and they must arrive within 72 hours. |
